President’s Letter

Dear FRIENDS of the Minnesota Orchestra,

You change lives through the power of music! We are so grateful for all you do for our five education programs: Kinder Konzerts in the Hall, Kinder Konzerts on the Road, Learning in the Lobby, Accent-Lifelong Learning, and the Young Artist Competition (YAC).

As with every year, 2016-17 was dedicated to creating opportunities that connect people of all ages and ability to classical music and to the world-class Minnesota Orchestra. Our programs and events are based on education, social, audience development and fundraising initiatives that increase engagement and participation with music.

We are so thankful for the incredible work of all of our volunteers, members, and donors. You make our programs thrive by engaging so many people. Our volunteers, members, and donors are the heart and soul of FRIENDS of the Minnesota Orchestra.

We are thrilled with the great efforts and talent of the Minnesota Orchestra Musicians, Kinder Konzerts Narrators, YAC Judges, YAC Accompanists and our Creative Leaders who make our programs so powerful. We are so thankful for the work and dedication of the Orchestra Hall Facilities team, Ushers, Security, EMTs, Box Office, Hall Coordinators, Stage Managers, IT team, MOA Artistic Team and the HGA Team at Ford Center! Thank you so much to our incredible FRIENDS of the Minnesota Orchestra Board of Directors and Committee Chairs, and for the tireless work of our former Operations Manager, Andy Christensen.

Please know that because of all of you, our programs are not only possible but thrive. You conceive, plan, fund, create, produce, market, deliver, enhance and revitalize our excellent programs. You change lives through the power of music!

Best Wishes and Thank you,

Robert J. Spikings

FRIENDS of the Minnesota Orchestra, President
2016-17 Highlights

In keeping with our mission & core values the following are some of the highlights from the 2016/17 season...

Over 100 guests attended the sold-out Fall Kinder Konzerts kick-off luncheon held in the Target Atrium at Orchestra Hall. Prior to the luncheon, guests attended the season’s first Kinder Konzerts concert *The Tin Forest*, book by Helen Ward and music commissioned by local composer Steve Heitzig who shared his thoughts during the luncheon program. Ten-year-old violinist Morgan Robitaille provided lovely music and a compelling testimony by (KKOTR) Bethune school teacher Greta Callihan moved guests to generously support this award-winning education program. A silent auction of three concert themed baskets of ‘goodies’ was available to bid on: “Peter and the Wolf”, “Okee Dokee Brothers” and “All things Minnesota Orchestra”.

FRIENDS members and guests enjoyed holiday fun at the early December “Merry and Bright” featuring Charles Lazarus and his band. A pre-concert reception in the Green Room included appetizers, drinks and a few words from the featured performer!

Kinder Konzerts volunteers enjoyed a thank you luncheon following the final May concert and joyfully celebrated a great season!

Kinder Konzerts

A full season of twelve Kinder Konzerts delighted nearly 6,000 four & five-year-olds and their accompanying adults.

Kinder Konzerts on the Road was held at City View Community School in March. FRIENDS was able to offer a week-long residency for their preschool, kindergarten and first-grade students.

This comprehensive program is an expansion and enrichment of Kinder Konzerts in Orchestra Hall. It involves a planning meeting with teachers, a professional development session for teachers, a week-long in-classroom workshop with teaching artist T Mychael Rambo, and the culminating event - the Minnesota Orchestra Kinder Konzerts ensemble performance at the school. All activities were tied to the book Perfect Square by Michael Hall and used the accompanying original music by Charles Lazarus to support and reinforce the school's literacy goals for their youngest learners.

In addition, two of the Kinder Konzert on the Road second year schools, Minneapolis' Bethune and Sheridan, received an in-school professional development for teachers and students to come to Orchestra Hall for a Kinder Konzert. Thanks to funding from the Metropolitan Regional Arts Council, there was no cost to the schools for this program.

We continued our community outreach in February with our participation again at Hooked on Books...and more in Carver County and were again invited to bring music experiences to a booth at Music in Plymouth in July.
Learning in the Lobby

Learning in the Lobby chaired by Joanna Cortright & Lisa Roehl, transformed a tradition of pre-concert activities for families into a full-fledged program with two pre-concert events.

The goal for each event was to connect ALL activities with the music and themes of the concert. Families who engage in multi-arts activities listen to the Minnesota Orchestra with more understanding of the music. This season’s family concerts were “Peter and the Wolf” and the “Okee Dokee Brothers”.

ACCENT - Lifelong Learning

ACCENT - Lifelong Learning, our adult education evening program saw unprecedented numbers. Their popularity has been growing and attendance surpassed 60 at all but one event. Featured musicians who shared about their lives and treated a delighted audience to amazing music were: Herbert Winslow, French horn, percussionists Brian Mount and Kevin Watkins, Richard Marshall, viola, Kathy Saltzman Romey, Artistic Director of the Minnesota Chorale, Katya Linfield, cello and Greg Milliren, flute.

A huge debt of gratitude to all our featured musicians for these six fun-filled evenings, to FRIENDS members Vicki Brunsvold and Mary Cohen for the delicious menus provided throughout the season, and finally to Nick Koch and HGA, Inc, who so generously gave us their beautiful venue!
Young Artist Competition

The 59th Young Artist Competition chaired by Jim Waldo was held in February. Over 40 applications were received online this year and preliminary judging was done online. Twelve competitors were invited to compete in the Saturday semifinal round at Orchestra Hall and five advanced to finals held at Orchestra Hall on Sunday. Finals judges included Maestro Osmo Vanska, violinist Peter McGuire and Dr. Paul Shaw (U of MN professor and recording artist). An audience of nearly 80 enjoyed a lovely afternoon of beautiful music from these extremely talented young musicians.

After the performances, the audience enjoyed appetizers in the lobby provided by FRIENDS volunteers and then returned to their seats in the hall to watch the awards ceremony held on stage. Eleven awards, scholarships, performances and cash prizes totaling $17,500 were presented by President Rob Spikings, FRIENDS’ Education Directors Irene Suddard, Jim Waldo, and individuals associated with the various awards.

Bixby Kennedy, clarinet won the rare grand prize – chosen by Osmo himself. A complete list of 2017 winners can be found HERE. YAC is our longest running education program.
Treasurer’s Letter

The fiscal year of 2016-2017 showed continued success in our education programs while income from membership and donations remained steady from the previous year.

An increase in our investment income helped alleviate some of the shortfalls in our fundraising income which was lower than expected. Overall, expenses were consistent with the previous fiscal year with the education programs accounting for approximately 50% of our expenses.
